### **Camp Days (June 1-5) Field Trip: Glasgow Park**

Summer is finally here! Kick it off in June with lawn games, a scavenger hunt, nature hikes, s'mores, and campfire songs. Campers will learn how to setup a tent, identify important supplies for camping, and have a real campout. Where should we place our tent? What are the best foods to cook on the campfire? We will explore God's creation throughout the week in so many ways!

### **Circus Week (June 8-12) Field Trip: Trampoline Park**

Step right up to the greatest camp on earth! Hand over your tickets and enjoy a week filled with carnival games and circus peanuts. Campers will learn to dress like a clown, walk an imaginary tightrope, and tame lions! Using Bible stories of Noah's ark and Samson, campers will learn about real-life lion tamers and strong men. Campers will also learn to juggle, play carnival games, and so much more!

### **Super Hero Week (June 15-19) Field Trip: First Responder Vehicle**

It's a bird! It's a plane! No, it's Super Hero Summer Camp! Campers will be able to create their own superhero identity complete with costume and powers! Campers will get to use their new identities to create their own adventures and challenges. Since this week of camp is all about superheroes, we will also be focusing on the heroes of the faith and what made them great. Up, up, and away we go!

### **Wild West (June 22-26) Field Trip: Wilmington Western Railroad**

GOLD in them there hills! From chuck wagons to campfires, from spurs to lassos, campers will learn all about the Wild West and the Gold Rush of the 1800s, having fun and making friends all the way! So put on your cowboy boots and don your cowboy hat, because we are going to be riding off into the sunset this week!

### **Party in the USA (June 29-July 3) Field Trip: Herr's Potato Chip**

Oh say, can you see...it's the 4<sup>th</sup> of July week! Show off your patriotic spirit all week long as we celebrate our nation's history and independence. We will show pride in our country and learn about how God used our founding fathers to give us the freedoms we have now. Campers will sing songs, make crafts, and read stories about our great nation!

### **Mad Science (July 6-10) Field Trip: Delaware Museum of Natural History**

Welcome to our secret lab! Stay for a while and help us out with some of our experiments! Campers will have a blast learning about gravity, static cling, basic chemical reactions, and more! Learning more about how the world works teaches us about the mind of God, so let's find the wonder in common things and learn to live with curiosity!

**Safari (July 13-17) Field Trip: Brandywine Zoo**

Lions and zebras and hippos, oh my! Get your binoculars and get ready to set out on the ride of a lifetime. Campers will learn about the wildlife that lives in Africa, make their own safari vests, and maybe even see a lion! Campers will be able to see how other regions of the world are different from where we live, and they will be able to have a deeper appreciation for God's creation.

**Sports Week (July 20-24) Field Trip: Bowling**

Get your game face on and head over to this week of Camp Firefly! Campers will be able to learn about and play a myriad of different sports over the course of the week, while they learn the importance of teamwork, self-discipline, and a good attitude. More importantly, they will learn how they can serve and honor God more fully through their participation in sports.

**Disney Week (July 27-31) Field Trip: Movies**

"Hakuna matata" means no worries, especially during this Disney-themed week of camp! Campers will have a blast as they revel in the magic of Disney, and they will learn about the Christian values that can be taken from many Disney movies such as *Up*, *The Lion King*, and *Cinderella*. Get your Mickey Mouse ears, dust off your magic carpet, and fly on over to join us for this magical week!

**Space Week (August 3-7) Field Trip: On Campus Planetarium**

Set phasers to fun for this week of summer camp! Climb on board the U.S.S. *Firefly* as we explore outer space! Join our valiant crew as we fly through galaxies, zoom past supernovas, and above all discover more of God's intergalactic creation. Campers will learn about the planets and the solar system, and maybe even encounter some extraterrestrial life forms! 3...2...1...blast off!

**Ocean Adventure (August 10-14) Field Trip: Trampoline Park**

Avast, mateys! Climb aboard the trusty schooner *Firefly* for a seafaring adventure! Dress like a pirate, sing with catchy tunes with your fellow crewmates, and be a lighthouse that leads to Christ. Time to make your own flag and set out on a journey across rough seas to discover God's creation. Maybe you will find some buried treasure, or maybe you will find some new friends who are worth more than gold!

**Circus Week (August 17-21) Field Trip: On Campus Entertainment**

Step right up to the greatest camp on earth! Hand over your tickets and enjoy a week filled with carnival games and circus peanuts. Campers will learn to dress like a clown, walk an imaginary tightrope, and tame lions! Using Bible stories of Noah's ark and Samson, campers will learn about real-life lion tamers and strong men. Campers will also learn to juggle, play carnival games, and so much more!

**Beach Blast (August 24-28) Field Trip: To Be Determined**

Summer is ending! Come and spend the last week of summer with ocean animals, sandcastles and an exotic Hawaiian island exploration! We will explore life on the beach and tour the islands of Hawaii learning about volcanoes, surfing, and luaus!
