

## GCA and Sports: An Overview of Requirements & Fees

Executing the responsibilities for a home education is ultimately up to the parents. GCA desires to create a positive, cooperative effort with you so that each student receives a unique education that meets standards of excellence. Homeschooling is NOT successful when students are expected to work independently and/or without supervision most of the time. There MUST be a parent or other adult who fills the role of ‘at-home’ teacher, providing direct oversight and guidance throughout the school day.

Students enrolled at Red Lion Christian Academy at Glasgow (*RLCA at Glasgow*) are given the privilege of participating in sports at Red Lion Christian Academy. Red Lion offers soccer, field hockey, volleyball, cross country, cheerleading, basketball, golf, lacrosse, softball, baseball, football, and more.

### Eligibility Requirements (per DIAA regulations):

1. Students must be registered in at least **one GCA graded core class AND a GCA Bible class**.
2. Students must have a 2.3 GPA in the semester prior to the first day of practice **AND** must be passing at least five high school credits or five middle school courses. Two of these credits must be in core subjects. **Core subjects are defined as Math, English, and Science.** Bible is not considered a core subject by the DIAA; however, GCA requires that DP students in 9<sup>th</sup> – 12<sup>th</sup> grade take a Bible class each year at GCA.
3. A senior must be passing all courses necessary for graduation.

<b>Summary of Tuition and Fees</b>	
New Student Application Fee (waived if student already applied to or attends RLCA)	\$75 (non-refundable – paid with application)
