

IMPORTANT UPDATE ON CLASS SCHEDULING RELATED TO COVID-19 & CHURCH BUILDING RENOVATIONS:

In preparation for the upcoming 2021-2022 school year, we remain dependent upon Covid-19 guidelines and the ongoing building renovations.

Due to delays and shortages in building materials, renovations will take longer than expected. However, we have made a few changes to our original schedule that will allow all our Thursday classes to meet weekly together in-person. Please refer to the *Schedule Grid* and the *Course Catalog* for details.

Our main priority through these challenges will be to continue to provide as safe an environment as possible for our homeschool community. Decisions regarding masks, social distancing, drama productions, special events, and sports will be made based on relevant Covid-19 guidelines.

GCA has been a blessing for homeschooling families for over 20 years, and we will continue to be a thriving, Christ-centered learning community. Please join together in prayer for the leadership staff, teachers, parents, and students. By the grace of our Lord Jesus, we will move forward together in growth and unity as we trust His loving and Sovereign plan.

In Christ Alone,

The GCA Committee
