- **ATHLETIC AND EXTRA-CURRICULAR ACTIVITIES:** Students are encouraged to participate in extra-curricular school activities. F1 visa students are permitted by the Delaware Interscholastic Athletic Association to compete in school athletic competition under the following policy.
 - Students are not accepted into Red Lion Christian Academy or Tall Oaks Classical School for athletic reasons and parents and athletes must sign a school addendum attesting to this fact.
 - Students must submit a completed DIAA physical form prior to participation.
 - F1 student participation in athletics is limited to the sub-varsity level during the first year of attendance, and students are not eligible to participate in state tournament competition during that time. Following this time period, students would then become eligible for varsity level and state tournament competition.

According to the enrollment contract, all fees are non-refundable. If a student withdraws from school after the tuition has been paid, parents will be reimbursed a prorated portion of the unused tuition minus the early withdraw fee according to the school's reimbursement policy. Class placement will not be confirmed until after all fees and admission paperwork are received. In classes where enrollment openings are limited, applicants may be placed in a wait pool. Class placement may occur from the wait pool but is not guaranteed. Please refer to the Tuition and Fee Schedule for a list of current costs.

It should be understood that enrollment is contingent upon maintenance of a satisfactory academic and general record. Official school transcripts from the applicant's school must be submitted to Red Lion and Tall Oaks prior to admission. Red Lion Christian Academy and Tall Oaks Classical School admits male and female students of any race, color, national and ethnic origin to all the rights, privileges, programs and non-athletic activities generally accorded or made available to students at the school. It does not discriminate on the basis of sex, race, color, national or ethnic origin in the administration of its educational policies or other school-administered programs.

International Student Athletic Eligibility Addendum

International and domestic students are encouraged to participate in a wide range of extra-curricular activities that are offered at Red Lion Christian Academy or Tall Oaks Classical School. To be in compliance with the Delaware Interscholastic Athletic Association (DIAA) policy, F1 international students desiring to participate in the middle and high school athletic program are required to agree to the following conditions.

1. I am enrolling as a student at Red Lion Christian Academy or Tall Oaks Classical School for educational reasons and not for the purpose of participating in interscholastic athletics. In addition, I was not recruited by the school or any other organization for the purpose of participating in athletics. I understand that based on Red Lion's international program requirements and DIAA regulations, recruitment based on athletics by anyone including an outside source will result in the student being permanently ineligible in interscholastic athletics at any DIAA member school.
2. I understand that if I choose to participate in Red Lion's and Tall Oaks' athletic program, my participation is limited to the sub-varsity level for the first year of attendance at the school and I will not be eligible for state tournament competition during that time.
3. I understand that if the school does not have a sub-varsity team, then my participation will be limited to practice sessions with the varsity team for the first year of attendance, and I will not be permitted to participate in interscholastic competition.
4. I understand that after the first year of attendance at Red Lion Christian Academy or Tall Oaks Classical School, I will become eligible to compete at the varsity level and to participate in state tournament competition.
5. I am required to comply with all other school and DIAA policies governing the participation in interscholastic athletic competition.
