

GCA/RLCA Diploma Program

Recommended Reading List

This list has been developed from recommended literature lists for students in grades nine through twelve, as well as Sonlight Literature curriculum. This list will be updated and refreshed periodically. A student can choose from any of the grade levels listed. A student may read a book not on this list if it has been pre-approved by their portfolio reviewer. The Well Trained Mind has supplied a list of Great Books for each year of study; the ninth grade list is the shortest, the twelfth-grade list the most complex. The lists are primarily made up of books that date to each period under study in History. You may choose any of the high school level books on this list. <http://www.welltrainedmind.com/great-books/>. The Mystery of History curriculum also lists supplemental readings in their Companion Guides. You may choose any of those books as well. Scholastic's website will give a book's grade level equivalent and a brief summary. <http://www.scholastic.com/bookwizard/>. Many of the listed titles are available in our GCA library. Some are listed at <http://www.librarything.com/catalog/GlasgowChurch>.
